WORK EXPERIENCE

King's College London Sept 2024 – Aug 2025

Research Analyst — International Relations & Security - London, UK

- Monitored global and regional security developments, geopolitical risks, and conflict dynamics, producing high-impact intelligence briefs and analytical reports used in departmental and external policy recommendations.
- Conducted strategic and tactical analysis on international security issues, synthesizing large volumes of qualitative and open source data into clear, accurate, and actionable intelligence outputs for demanding professional audiences.
- Managed multi-stakeholder communication pipelines across research units and external contributors, ensuring timely and accurate dissemination of intelligence findings against strict deadlines.
- Maintained meticulous documentation and project tracking across concurrent workstreams, sustaining accuracy and alignment with project objectives throughout.

The Reading League 2021 – 2026

Volunteer - Syracuse, NY

- Assisted in program support, materials, and community event coordination.

XO Taco Nov 2021 – Aug 2024

Server, Cook & Host - Syracuse, NY

- Demonstrated strong teamwork, communication, and organizational skills in a collaborative, high-tempo workplace.

Community & Policy Engagement 2015 – 2019

Campaign Coordinator - Syracuse, NY

- Conducted qualitative research and audience analysis to inform messaging strategy, filtering large volumes of information to identify the most relevant insights for distinct stakeholder segments.
- Tracked operational data and produced written performance reports enabling evidence-based decision making, demonstrating strong organizational skills and attention to detail.

EDUCATION

King's College London Aug 2024 – Aug 2025

Master of Arts, International Relations (International Security & War Studies) - London, UK

- Dissertation graded with Distinction — developed a hybrid analytical model integrating structural theory with quantitative forecasting tools to predict systemic political breakdown and crisis escalation across geopolitical environments.
- Coursework concentrated in geopolitical risk, conflict analysis, international security, threat assessment, and strategic forecasting across global regions.

Syracuse University — Maxwell School of Citizenship and Public Affairs Aug 2020 – May 2024

Bachelor of Arts, International Relations - Syracuse, NY

- Major GPA: 3.8 | *Summa Cum Laude* | *Chancellor's Scholarship* | *Say Yes to Education Scholarship* | *Dean's List*
- Capstone: Analyzed cross-national investment and public opinion datasets across 37 countries, applying quantitative methods and open source data synthesis to produce evidence-based geopolitical conclusions.
